DETAILED ACTION

1. The following is an examiner's statement of reasons for allowance: The prior art of record does disclose the non-control versions of the apparatus, and controls devoted to either one sided or two sided processing. However, applicant has argued persuasively (see remarks filed 11/10/2004) that the prior art does not disclose an arithmetic processing part configured for controlling whether said double sided lamination system is in a double side lamination mode as claimed, or a single side lamination mode as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to George R. Koch III whose telephone number is (571) 272-1230 (TDD only). If the applicant cannot make a direct TDD-to-TDD call, the applicant can communicate by calling the Federal Relay Service at 1-866-377-8642 and giving the operator the above TDD number. The examiner can normally be reached on M-Th 10-7.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Christopher Fiorilla can be reached on (571) 272-1187. The fax phone
